

Spring Valley Apartments Resident Selection Criteria

for Conventional
Effective October 1, 2019

Humphrey Management, managing agent for this community, has established the following Resident Selection Criteria to explain the requirements and policies used to process and select applications for residency. Everyone who applies will have their application evaluated in a fair, equal, and consistent manner that complies with federal, state, and local fair housing requirements.

These criteria were implemented with the goal to improve housing opportunities by ensuring that quality housing is available to qualified families; and create a welcoming, thriving community through effective resident selection.

Community Information

Spring Valley Apartments is a family community consisting of 128 one, two and three bedroom apartments, serving qualified market rate and low income households.

Income Criteria

Rent should not exceed 40% of the applicant household's gross income, therefore the minimum qualifying income will be at least 2.5 times the rent.

Applicants who do not meet the above criteria, but whose income is such that the rent would not exceed 50%, may still be considered qualified if they provide proof of available assets equal to or greater than 6 months' rent.

In lieu of income, management will consider applicants who own available assets with a cash value of at least five times the rent to meet the income requirement.

Applicants using assets to meet the minimum income requirement will need to provide proof of (1) ownership; (2) access to the asset; and (3) the cash value must be based on at least a six-month average balance or proof of a lump sum receipt within the last six months must be provided.

This requirement does not apply to applicants receiving an acceptable form of rental assistance, in which the owner has a contractual relationship with the rental assistance provider.

Co-signers

Applicants who do not meet the income criteria may qualify by obtaining a co-signer. Applicants receiving total household contributions of greater than \$350 per month are required to obtain a co-signor in order to qualify.

The co-signer must meet the credit history criteria stated below and have verifiable income that is at least 7 times the rent of the apartment home. The co-signer can be released from this obligation if at the time of any lease renewal the resident(s) can show that they have no late rent payments and they qualify under the minimum income standard in effect at the time of the request.

Vouchers

Housing Choice Vouchers and other types of rental assistance are accepted. No applicant will be denied on the basis that they receive rental assistance. All applicants, including those receiving rental assistance, must meet all eligibility standards outlined in this document.

Participation in a rental assistance program will be verified as part of the eligibility process. The payment standard of the rental assistance must meet or exceed the current contract rent of the apartment for which the applicant is applying.

Occupancy Standards

Number of Bedrooms	Number of Occupants	
	Minimum	Maximum
2	1	4
3	1	6

These occupancy standards shall be used in determining the appropriate size unit at move-in and shall apply during residency in determining unit transfers.

Application Process

Applicants must be at least 18 years old or be an emancipated minor to apply. Applicant households must submit a single application executed by all adults or emancipated minors in the household. Emancipated minors are considered adults in the application of our policies and procedures. All adult applicants, including those wanting to be added to existing households, are required to complete an application packet and consent to the release of information necessary to verify they meet the income and screening criteria.
